

International Conference on Gender Empowerment Towards Peace and Harmony

Jakarta Design Centre , 20 - 22 November 2017, Flamboyant Room

Will be opened by WUNRN – Women's UN Report Network

*This world is changing over the time; however somehow it is not what we want . Women and children are still vulnerable, while most families are stick on them. Partnership between men and women is needed and somehow it did not work as it should be. Violence against women is becoming classic followed by children assaults while economic fluctuation and diversity among communities become matter – **Peace & Harmony is needed!***

Let's talk how we can develop it within family, community and nation; Gender Harmony (GH) is ready to share the findings and knowledge on how to build resilience over stressors, preventing conflict and perform transformation within partnership towards unity within diversity!

Harmony of diversity in Unity!

This conference provides discussion, sharing experiences and training on: How to prevent Gender-based Violence; Developing transformation, Combating stereotyping, a harmony communication, nation harmony in unity, Argumentation Rules and Peace application, Livelihood skills for welfare etc

*Seminar and Harmony facilitator training back to back for 3 days with keynote speech, presentations, practice, role-play, group discussion, partnership games and site visits. Conference package includes : Certificate, Conference material, Goodie Bag, 3 night stay twin sharing hotel*3, meals during the conference & training, transportation during site visit and lunch on the closing ceremony on the outdoor lake restaurant.*
